

The Natick High J.V. Hockey team posted a respectable 8-10-2 record for the 1973-74 season. The record, however, does not totally indicate all of the hard work and team spirit that contributed to a rewarding season. An equal number of juniors and sophomores gave this year's team the stability and experience needed for the returning and new players to look forward to next season with a great deal of optimism.

NATICK CHORAL SOCIETY

In February the Music Department sponsored a performance of the newly-named Natick Choral Society, a mixed chorus made up of NHS students and alumni, faculty, and residents of the Natick area. The chorus, orchestra and soloists joined forces to present Schubert's MASS IN G, directed by Miss Karen Thomas of the NHS faculty. The hard work and enthusiasm of all involved made for an exciting and enjoyable Sunday afternoon performance.

Probably the most successful and least publicized team or club at Natick High has been the Competitive Speech Team. The team is coached by Mr. Gerald Dyer. Mrs. Martha Robbins is the assistant coach and Mr. Richard Gaudette is the executive secretary for the Massachusetts Forensic League. Mrs. Robbins is also the immediate past president of the M.F.L.

The team has been very successful over the past few years and for the second year in a row captured the Massachusetts State Competition. There are thirteen categories covered in each competition. During the Mass. State Competition members won gold medals in Dramatic Interpretation, Prose Reading, Boys' Extemporaneous Reading, Original Reading, and Multiple Reading. Silver medals were won in Humorous Interpretation, Oratorical Interpretation, Verse Reading, Play Reading, Girls' Extemporaneous Reading, Radio Broadcasting, and Group Discussion. The one other category is Children's Literature. Natick was also victorious at the Hudson, N.Y. Invitational. Each year the Natick Speech Team hosts the Holly Festival here at Natick High.

Including past Speech Team members Natick is able to claim eighty-four members of the N.F.L. This membership is attained by participating in competition and accumulating the required number of points. The Competitive Speech Team was able to send six members to New Orleans in May to the N.C.F.L. Tournament. Three students were seniors and three were underclassmen. Beth Noonan, a junior, succeeded in reaching the semi-finals in the tournament and was ranked among the top twelve participants in the country. In June, two students were sent to Dallas, Texas to the N.F.L. Tournament. One of these was a senior and the other an underclassman. The year ahead looks promising for the Natick High School Competitive Speech Team.

The 1974 Yearbook Staff would like to congratulate the 1974 Competitive Speech Team for their repeated successes at competitions this year and also to the advisors, Mr. Dyer, Mrs. Robbins, and Mr. Gaudette whose aid helped to make the team successful. Finally, good luck to the Competitive Speech Team in the future that they may be as successful as this year's team has been.

Why should we be such desperate
haste to succeed, and in such desper-
ate enterprises? If a man does not
keep pace with his companions, per-
haps it is because he hears a different
drummer. Let him step to the music
which he hears, however measured
or far away.

Henry David Thoreau
